

SHINGLEBACK RETAIL PRICE LIST

Thank you for choosing the Shingleback Coating System!

Steps to get a pricing estimate:

1. Select colour from website colour chart and note the category code (A, B or C)
2. Choose item from the below tables (please read the notes)
3. Select size of your item
4. Select colour category that represents your colour choice
5. Identify the value as per table of your investment in quality!

UTE TRAYS

A3 to A2 (Use Shelves \$/m ² for larger)	\$51.70	\$57.90	\$64.10

Standard Notes:

- Pricing allows for one colour only on your items.
- Multiple colours can be done via masking and 2 applications of topcoat – pricing is standard price x 1.8 per extra colour. Coating of separate items - e.g., tray with one colour and toolboxes second colour adds colour change of \$185.00.
- All prices are excluding GST.
- Due to oven curing, any heat sensitive parts need to be removed before picking up - All suspension, axles, jockey wheels, wiring & brake components etc.
- Removable doors, pins, tailgates etc., done separately where feasible.
- **Transport included free**, including pickup & delivery by Shingleback, within 1.5 hour's radius of Adelaide city GPO providing you have forklift loading facilities.
- Production time is typically 10 working days.
- Available colours are listed on the website.
- Pricing valid from 1 March 2023 and may be reviewed without notice.
